Worshipping In the Spirit

Have you ever been in a worship service where people are trying to worship God in the flesh? It is like a circus. How tedious and tasteless it is.

But hopefully you have been in worship services where those who are leading the worship are filled with God's blessed Holy Spirit and the people are singing praises to God and worshipping God in spirit and in truth.

John 4:24 says, "God is a Spirit: and they that worship Him must worship Him in spirit and in truth." The only way you can truly worship God is to worship Him in His Spirit.
